Dear Sir/Madam,

I am to quote below the resolution No. 76 of the Academic Council dated 08.09.2018 duly approved by the Executive Council vide Resolution No. 45 dated 26.11.2018 for your information & necessary action:

Resolution No. 76

ANY OTHER ITEM

After the Agenda Item, the Vice-Chancellor had a discussion on (i) Allotment of Ph.D. Supervisor at the time of enrollment of Ph.D. students in order of merit; (ii) Mode of inviting retired teachers for re-employment. The details of discussions are as follows:

(i) Allotment of Ph.D. Supervisor at the time of enrollment of Ph.D. students in order of merit:

The Vice-Chancellor informed the house that some of the newly enrolled Ph.D. students met him on the issue of allotment of Ph.D. Supervisor in the Department(s). He observed that the DRC of the Departments are not allotting the Ph.D. Supervisor to the Ph.D. students in order of merit nor displaying the area of research specialization or vacancy under the teachers. Further, he added that the Ph.D. scholars are forced to work with the allotted Ph.D. Supervisor by the Department(s).

After detailed deliberations on the issue, the Vice-Chancellor was of the view that the Department(s) ought to clearly display the number of vacancy and area of specialization of the teachers under whom the vacancy(ies) exists. Thereafter, the Department may call the Ph.D. student, in order of merit, and allow them to choose their supervisor according to their preference. The Vice-Chancellor felt that if the aforesaid policy is adopted by the Department(s) towards the allotment of Supervisor for the registration Ph.D. Research Scholar, it would give the right to the Ph.D. students to choose their supervisor as per their merit and availability of vacancy under different supervisors.

The house supported and welcomed the aforesaid proposal for implementation of allotment of Research Supervisor at the time of enrollment of Ph.D. students in the Department(s) and resolved that necessary amendments be incorporated in the Ph.D. Ordinances of the University to this effect.

(ii) Mode of inviting retired teachers for re-employment:

The Vice-Chancellor informed the house that the teachers who are going to retire from the active services of the University met him and requested to appoint them as Emeritus

P.T.O.
Professor or as reemployed teacher. He further informed that in some Departments the retiring/retired teachers are being treated as deadwood. He felt that it is disgraceful. Therefore, the Vice-Chancellor suggested that the University will write a letter to the retiring teachers to send curriculum vitae for consideration of Re-Employment/Emeritus Professor/Distinguished Professor along with highlighting their academic performance of last 5 years. The said request along with curriculum vitae be placed before the Departmental Committee for consideration as per provisions of the UGC guidelines in this regard. If any member has any academic reason for not recommending the concerned teacher for reemployment he/she may record it and send in a sealed cover for consideration of the Expert Committee, consisting of two experts nominated by the Vice-Chancellor on the concerned subject/field. The Expert Committee will scrutinize the application form along with the recommendation of Departmental Committee and the objection if any, and, submit its recommendation to the University. On the advice of the two expert members the appointment of Re-Employment may be considered as per the prevailing rules of the University.

Similar procedure may be followed in the matter of appointment as Emeritus Professor/Distinguished Professor. The Academic Council welcomed the proposal whole heartedly and resolved to approve it for implementation.

Yours faithfully,

Dy. Registrar (Academic)
